Behind The Symbol Of Women's 1975

Since most Executive orders are handled in a rather routine way, it is sometimes easy to overlook their particular significance.

International Women's Year

Hell, I had people try to kill me.

Hoffa Dissapearence/1975: International Women's Year

I hope the Commission, which I will name together with leaders of the Congress, will infuse the Declaration of Independence with new meaning and promise for women here as well as around the world. It means educational and social opportunities for women of all nationalities. If they do, well, then I'll do something with my bat.

Hoffa Dissapearence/1975: International Women's Year

The conference was a major watershed in second-wave feminism, but in a larger sense, it marked the consolidation of transnational feminist organizing and a turning point in the role of NGOs in international activism, organizing, and governance. United Nations University Press, 1998 , pp. Greenwood Publishing Group, 1995 , pp.

Behind The Symbol Of Women's 1975

Gender politics in global governance. You know, like the woman has always been on trial and not -- not the man. But headlines do not guarantee that all barriers are down.

Hoffa Dissapearence/1975: International Women's Year

A stylized dove intersected by a female symbol and an equal sign, the emblem was donated by then 27-year-old New York City advertising company graphic designer Valerie Pettis. If I don't get any justice, how is any other person gonna get any? But it took no official announcement for

women to be part of the news in 1975. The attendees included the famous—Betty Friedan, Jane Fonda, Angela Davis, and Soviet cosmonaut Valentina Tereshkova, among them; the royal—Princess Pahlavi of Iran; the politically connected—Leah Rabin of Israel, Sri Lankan Prime Minister Srimavo Bandaranaike, and Egyptian first lady Jihan el-Sadat; and the grassroots.
