Translation by Watson slightly revised of Dig. Thus the abbreviated Hermogenian headings and subscripts, which left imperial identities unexpressed, might well be expanded or clarified in some versions but not in others, or not consistently so. Ensuite, en , Hermogénien serait passé en Occident pour diriger le scrinium libellorum de ; il y serait devenu quelque temps après, et aurait donc ajouté à cette époque les quelques de l'empereur d'Occident qui sont attribués au code.

However, the former is well attested as a name in antiquity, the latter apparently not at all. This was subsequently rolled out to Latin north Africa, following its reconquest from the Vandals in 530, and then Italy in 554. For discussion of Scherillo especially in relation to Rotondi, see Sperandio 2005, p.
