## List of recurring characters in Star Trek: Enterprise

Unfortunately, the Shran became a casualty during the Battle of the Binaries after succumbing to weapons fire from Klingon starships. On his way back to his homeworld, Shran wondered whether he would ever get another starship command, as the Andorian military tends to come down hard on any commander whose ship is lost. The ship is going to be mothballed after 10 years of service, and is heading back to Earth for the signing of the declaration that is basically the founding of the Federation.
