Jamaica Overview

A world in which every woman and girl enjoys full gender equality and all legal, social and economic barriers to their empowerment have been removed.

Striving for the United Nations (UN) Sustainable Development Goals (SDGs): what will it take?

We reaffirm that the protocol, another legal instrument or agreed outcome with legal force under the Convention applicable to all Parties shall address in a balanced manner, inter alia, mitigation, adaptation, finance, technology development and transfer, and capacity-building, and transparency of action and support.

Rapid Revenue Recovery: A post COVID

Complexity science perspectives help UNSDGs as the work involves multiple nested and overlapping complex adaptive systems CAS.

The Great Reset

It is accepted by all countries and is applicable to all, taking into account different national realities, capacities and levels of development and respecting national policies and priorities. We reiterate that each country has primary responsibility for its own economic and social development and that the role of national policies and development strategies cannot be overemphasized.

The Great Reset

FairTrade Books JPEPA: Para saan, para kanino? Today we are also taking a decision of great historic significance. As this is a universal Agenda, mutual trust and understanding among all nations will be important. FairTrade, a nongovernment organization in the Philippines, was originally convened on September 11, 2001 in response to a different devastation — the decimation of industrial jobs and farm incomes due to the patently unjust terms of trade and trading arrangements the Philippines was subjected to as a result of its disastrous policy commitments to the structural

adjustment program SAP espoused by the multilateral financial institutions and its adherence to a one-sided liberalization commitment to the World Trade Organization WTO and the ASEAN Free Trade Agreement AFTA.

Striving for the United Nations (UN) Sustainable Development Goals (SDGs): what will it take?

No one must be left behind. They will engage all relevant stakeholders and, where possible, feed into, and be aligned with, the cycle of the HLPF. The new Agenda is guided by the purposes and principles of the Charter of the United Nations, including full respect for international law.
