by Margaret Atwood: Summary, Analysis, and Canadian History! — Picking Books

She comes across as a very sympathetic, level-headed, brave, considerate, dignified woman. Main article: In 2012, announced that she would be adapting Alias Grace into a feature film.

### Alias Grace Study Guide from LitCharts

As if hundreds of butterflies have settled all over my face, and are softly opening and closing their wings. Conspicuously absent from his house in the wake of the murders were his two domestic servants: 20-year-old James McDermott and 16-year-old Grace Marks.

### Alias Grace

Margaret Atwood takes the story of one of the most famous female prisoners of the 19th century and weaves a masterpiece of a novel. Only an astute and highly proficient author can do this.

### Alias Grace

She has taken fragments from a past reality, from a crime committed in the Canada of the 1840s.

### Alias Grace Summary from LitCharts

The LongPen is made of two terminals, each consisting of a screen, webcam, microphone, and speakers. If Grace was in fact the evil murderess, why did she desire to kill her master? As Grace tells her story, she often admits to the reader, but not to Jordan, that she is telling him what she thinks he wants to hear, so that we are never sure whether to believe any or all of what she says.

### Everything You Need to Know About 'Alias Grace,' the New Margaret Atwood Adaptation on Netflix

A major theme running throughout the novel is the treatment, subjugation, demonisation and conversely the romanticisation of women associated with or accused of violent crime; particularly by comparison to their male counterparts. It has a smell to it, that word -- musky and oppressive, like

dead flowers in a vase. Oh how we have mixed emotions and impulses as humans.

### **Alias Grace Study Guide from LitCharts**

Grace's regal beauty and tender age redeemed her to the masses and a score of individuals pleaded for her freedom. Mary is outgoing and an advocate for equality regardless of class status; she attempts to impart these ideas to Grace. Grace cannot remember what happened on the day of the murders, and she exhibits symptoms of hysteria, so the minister hires Dr.
