Metaepistemology

Consequently, internalist truth lacks the properties of truth. There are ousiai which are the fundamental realities which unify different kinds of things. Princeton, NJ: Princeton University Press, 1997.

Anti

Quine, The Ways of Paradox and Other Essays. And I would say that if you have two theories that really are absolutely identical in their predictive power, so that there is no hope of distinguishing them by conducting further experiments, then I don't see how Bayesian probability will be much help in determining which is more likely to be true.

Realism/Anti

The structure of my argument against social kinds anti-realism will proceed as follows.

Realism and antirealism

First, they must answer the undermining challenge above in a way that is not ad hoc, question-begging, or transparently Whiggish. Realism is a school of thought containing numerous related branches.
