Gypsy Law: Romani Legal Traditions and Culture on JSTOR

Harris is Professor of Law, Boalt Hall, University of California, Berkeley. They care for it so much it has manifested itself into their jobs.

Laws, Jobs, and Traditions

Together they suggest a theoretical framework for explaining the coexistence of formal and informal law within a single legal system

The Roma Way of Life: Gypsy Work and Family Life

Grigore draws attention to a very important aspect of the development this collective image of the majority towards the gypsy minority has taken: self-stigmatization. This autonomous body of law, existing unnoticed among dominant legal systems, has been invisible to legal scholarship and provides a considerable challenge to established ways of thinking.

Project MUSE

Together they suggest a theoretical framework for explaining the coexistence of formal and informal law within a single legal system. The contributors raise broad theoretical questions that transcend the specific Gypsy context and offer important insights into understanding oral legal traditions. Such mistaken beliefs are predicated on the jobs the Romani obtained during their constant travels.

Gypsy Law Romani Legal Traditions And Culture PDF Book

Romanians are the largest minority community in Italy officially more that 600,000 Romanians live there, and unofficially almost 2,000,000 and some of them are Romany ethnics. Discrimination in schools against Romany children is a phenomenon that appears periodically in the Romanian press. .
