The Best Books on Singapore

Raffles returned to soon after the signing of the treaty and left Major in charge of the new settlement, with some artillery and a small regiment of Indian soldiers. This heart-warming story teaches the little ones to care for the world and the people around them.

Far Out Writers in the Far East: 8 Excellent Books Set in Singapore

In 1987, the first MRT line began operation, connecting most of these housing estates and the city centre. Portuguese sources, however, indicated that Temasek was a Siamese vassal whose ruler was killed by thought to be the same person as Sultan Iskandar Shah from Palembang, and Parameswara was then driven to Malacca, either by the Siamese or the Majapahit, where he founded the.

Ten novels which describe Singapore in the past five decades

In August 1958, the State of Singapore Act was passed in the United Kingdom Parliament providing for the establishment of the State of Singapore. The Malay and Indians were forced to build the , a railway between Thailand and Myanmar. Since the left-wing groups were the strongest critics of the colonial system, progress on self-government was stalled for several years.

Seen this lady? 'Woman With Books' just wants Singapore to smile

Books have contributed to the vivid imaginary landscapes of our childhoods, and continue to do so with younger generations. The My Pals Are Here series covers grades 1-6 and provides a solid foundation for a comprehensive study of science. On 22 December 1965, the Constitution Amendment Act was passed under which the Head of State became the President and the State of Singapore became the Republic of Singapore.

Far Out Writers in the Far East: 8 Excellent Books Set in Singapore

Prostitution, gambling, and drug abuse particularly of opium were widespread.
