Surah Naba benefits

The narratives are not conflicting. The present surah is a good example of the general bent of this part, its themes, the fundamental principles it seeks to establish, the scenes and images it portrays, its inferences, its music and its fine touches, as well as its artistic selection and manipulation of terms and expressions to enhance its effect.

This is not only a name but also a title of its subject matter, for Naba implies the news of Resurrection and Hereafter and the whole Surah is devoted to the same theme.

Surah An Naba [78]

KHUTBAH TERAKHIR NABI MUHAMMAD SAW

At another place it has been said: Therein they shall abide forever, as long as the earth and the heavens shall last, unless your Lord ordains otherwise.

Al

They will not speak, except the one who is permitted by the Rallhman the All-Merciful and speaks aright.
