Then I think the next bunch of stories is similarly set up for a later collection.

A History of Eastern Europe: Crisis and Change

. It is not the foolish fancies of youth that will have to be got rid of, but the foolish, wicked, and mischievous interference of parents or outsiders. Altogether, while it is impossible to believe the stories about toads that have been buried in a mine for whole centuries, and still more impossible to believe in their being disinterred from marble mantelpieces or very ancient geological formations it is quite conceivable that some toads-in-a-hole may really be far from mere vulgar impostors, and may have passed the traditional seven years of the Indian philosophers in solitary meditation on the syllable Om, or on the equally significant Ko-ax, Ko-ax of the irreverent Attic dramatist.

Current and evolving technology, within, and extraneous to, the healthcare environment, for example, electronic medical record systems and smart phones, offer innovative self-care opportunities and self-management strategies for persons living with diabetes.

Irish Poets

In the Balkans, for example, learning virtually dried up, and art deteriorated from the exquisite medieval masterpieces to simple primitive creations. The first clue to these questions was, as in the parallel case of Egypt, afforded by a trilingual inscription.

What Is the Capital of Ireland?

It is funny and active. The following extract from the Report of the Recess Committee, SCIENCE TEACHING. .
