Members affected by actionable subsidies may refer the matter to the Dispute Settlement body.

Marrakesh Protocol to the General Agreement on Tariffs and Trade 1994

Since domestic regulations, not border measures, provide the most significant influence on services trade, provisions spell out that all such measures of general application should be administered in a reasonable, objective and impartial manner. The agreement sets up a harmonization programme, to be initiated as soon as possible after the completion of the Uruguay Round and to be completed within three years of initiation. Part II addresses each intellectual property right in succession.
