## The History of Policing in the United States, Part 5

Norwegian police carry firearms in their vehicles, but not on their duty belts, and must obtain authorisation before the weapons can be removed from the vehicle. Police work was broken down into ever more specific, highly specialized tasks; patrol became more reactive; technology was used to restore the control of police administrators i. Industrialists in Pennsylvania established the Iron and Coal Police to end strikes and bust unions, including the United Mine Workers; in 1905, three years after an anthracite-coal strike, the Pennsylvania State Police started operations.

### Police: History

In 1837, Charleston, , had a slave patrol with over one hundred officers, which was far larger than any northern city police force at that time Walker, 1999. In the medieval Islamic , police were known as.
