30 Modern & Contemporary Artists

Apartment dwellers can be glimpsed in the upper levels of the buildings, as they seem to be caught up in private conversations or lean out of their apartment windows. John Walker, letter to John Rothenstein, 1 December 1946, Travelling Exhibitions — Tate, Archives of the National Gallery of Art. Codified by the American advisory committee, the history of American painting illustrated communities that the perceived interwar cultural stability had ruptured, the historicising of trauma since this was not the first time either nation had suffered the carnage of war, even between themselves and the hope by local communities for a more stable future through the post-war recovery process.
