## Karim Rashid

Design is the whole experience of living. The collection includes four unique patterns, each in two different colours. Century, having a universal language that crosses borders and connects all of us.

The interior of the house is composed of four spaces that represent our main activities: Play, Eat, Sleep and Cleanse. This creates a lively dynamic setting which generates a sense of place for gathering and will ultimately make the space successful. The world is becoming very visually savvy and info-savvy and ornamentation is a modus operandi for communication, for providing dimension, texture, pattern, depth and spirit; to embellish and add richness to surfaces and material and object.

Backlit headboards feature original artwork by Karim and Megan Lang. Your Blix will be ready in just under 60 seconds. The Karim apartment upgrade package feature German printed laminate wood flooring, Italian printed glass kitchen from Scavolini, custom tiles for the bathrooms, Italian bathroom fixtures, glass bathroom cabinets with quartz top in 6 different color options.

## Karim Rashid

. Backlit ceiling artwork and floating bar create an atmosphere of relaxation and positive energy, underlined by Mozart's refined hospitality. It seems that the opportunity of experimentation is endless.
