## Denying Shakespeare

The method of New Criticism is foremost a close reading, concentrating on such formal aspects as rhythm, meter, theme, imagery, metaphor, etc. Shapiro does not venture into such speculations.

## Critical approaches to Othello

When that fell through, he found an outlet in the labors that led to his book identified as the Earl of Oxford, which was published in 1920.

## The Manipulative Nature of Claudius in Shakespeare's

The town itself was prosperous and progressive. Behind the main stage was a recessed inner stage, which could be hidden by curtains.

## Shakespeare Studies

This probably meant much to Shakespeare, for in his day actors were classed legally with criminals and vagrants.
