Puerto Ricans and New York's Unions 1940s

This percentage was much higher than the 76. The literature supports the notion that those individuals who are bicultural and maintain aspects of both their ethnic and host culture are able to acculturate well to the mainstream culture Berry 2005. Social Work Practice with Immigrants and Refugees.

Adjustment Challenges: Puerto Ricans in New York City, 1938

The failure of the melting pot assimilation model in this case is clear, as it was, and is to this day for African Americans, Afro-West Indians, and other defined racial minorities. New York, New York: Guilford Press.

From Colonia to Community: The History of Puerto Ricans in New York City

This was also a sign that despite the maladjustments and personal discrimination that these migrants faced in Harlem and in other Puerto Rican enclaves in the city, some of them were able to experience success in the business world that would allow them to improve their economic and social status. In 1943, there were twelve applications from Negro Puerto Rican families compared with fifty-two applications from white Puerto Rican families.

From Colonia to Community: The History of Puerto Ricans in New York City

In terms of gender, income, occupation, and socio-economic status in general, females were relegated to mostly menial, sewing, and factory jobs Aran 1945, 307; also see Tables 1 and 2.
