## The History of Phrasal Verbs

Denison English 36 points out that Koopman finds and analyses examples of Old English phrasal verbs with post-verbal particles.

## Early Indigenous Peoples and Written Language

Just as the and terminology of the ancient Greek salvatory religions distinguished between that which is shown and seen *deiknymenon* , that which is done *drōmenon* , and that which is said *legomenon* , so also can one make distinctions among three types of symbols: the visual symbol, the symbolical action that is dramatically enacted in , and the linguistic symbol, which includes music and other sounds.

## [PDF] Mayan Historical Linguistics and Epigraphy: A New Synthesis

The goal of this paper is to provide a lexical approach that accounts for the cross-Mayan variation by means of a small set of faithfulness and markedness constraints.
