### Importance of Akhlaq (Good Character)

Being Muslim it is our duty to follow the Sunnah of Prophet SAW and try to show good Akhlaq towards all people no matter one is Muslim or non-Muslim. TAHDHIB AL-AKHLAQ - A Hadith Guide for Personal and Social Conduct, is a gentle introduction that takes Ahddith from the six authentic collections predominantly from Bukhari and Muslim and arranges them into easily understood and accessible subject matter such as sincerity in worship, maintaining ties of kinship, teaching children, thankfulness and modesty etc.

## Tahdhīb al Akhlaq:A Hadith Guide for Personal and Social Conduct

Goodness comes from good Akhlaq which is the practice of virtue, ethics, morality and also a good character. Anyone new to the science of hadith may be overawed by its sheer volume and complexity. It focuses on morality, manners and in this way it serves both as an excellent foundation not only for further study of the great works of hadith, but also as a guide to the Islamic way of life thus reviving the importance of Islamic moral conduct in the English Language.

### Tahdhīb al Akhlaq ( Arabic ) A hadith guide to personal and social conducts ( Tahzib )

We should try to improve our relations with those whom we do not get on; we should seek forgiveness from those who are angry with us, and we should create such a feeling of brotherhood that the Muslim ummah becomes one in reality. Its unique style of inter-twining each subject matter with the appropriate verses of the Qur'an at the beginning of each chapter followed by carefully selected hadiths makes it fascinating to read, - a

truly scholarly work made accessible to the general reader.

### **Tahdhib Al**

Dhikr of Allah Almighty is the thing to improve Akhlaq. So we have to do sincere dhikr of Allah Almighty and such a light will enter into our heart that people will say what good Akhlaq this person has. If you want to show someone that you are a good person then show him with your Akhlaq because the sign of a good person is that his Akhlaq is excellent.
