Development of higher education and employment in the Federal Republic of Germany

With respect to such compensation the third and fourth sentences of paragraph 3 of Article 14 shall apply, *mutatis mutandis*.

Filesize: 25.55 MB

After the Federal President has been impeached, the Court may issue an interim order preventing him from exercising his functions.

Research on the relationships between higher education and the world of work: Past achievements, problems and new challenges

Within the limits of their functions designated by a law, associations of municipalities shall also have the right of self-government in accordance with the laws.

Basic Law: democracy in Germany

They shall take precedence over the laws and directly create rights and duties for the inhabitants of the federal territory.

Basic Law: democracy in Germany

Within these limits each Federal Minister shall conduct the affairs of his department independently and on his own responsibility. Details shall be regulated by a federal law. This was linked with the expectation that the achievements of a stable democracy with the backing of its citizens would continue to endure in reunited Germany.

Higher education and employment in the USSR and in the Federal Republic of Germany

After such termination they may, with the consent of the Bundesrat, be amended by a federal law so as to revert to the provisions of Titles VIIIa

and X. Details may be regulated by a federal law.

Higher education and employment in the USSR and in the Federal Republic of Germany

The principles governing such redemption shall be established by the Reich. Details shall be regulated by a federal law requiring the consent of the Bundesrat. The procedures to be followed by Land revenue authorities or, as provided by the second sentence of paragraph 4 of this Article, by municipalities associations of municipalities may be prescribed by a federal law requiring the consent of the Bundesrat.

Basic Law for the Federal Republic of Germany

The question to be voted on is whether the affected Länder are to remain as they are or whether the new Land or the Land with redefined boundaries should be established. Language policy changed over time, perhaps marked first of all in the government's mandating in 1938 the teaching of Russian as a required subject of study in every non-Russian school, and then especially beginning in the latter 1950s a growing conversion of non-Russian schools to Russian as the main medium of instruction. The Independent Commission on Migration to Germany.

Development of higher education and employment in the Federal Republic of Germany

Air traffic control services may also be provided by foreign air traffic control organisations which are authorised in accordance with European Community law. The Federation may not surrender its majority interest in the enterprise that succeeds to the Deutsche Bundespost Postdienst until at least five years after the law takes effect. The Federal Government shall take the position of the Bundestag into account during the negotiations.
