Listening to favorite audio stories supports emerging literacy and active listening—vital skills needed for early academic success. Now, thanks to emerging technology, such as smart phones, e-readers, and tablet computers, parents can even carry an entire library of eBooks in their pocket or diaper bag! Copyright 1995 Reed Business Information, Inc. So make a resolution to gather your children together—whether at home or in the classroom—for musical story times that will support early literacy development and their love of music! Yes, this might mean reading again and again the same book or a gigantic book about dinosaurs or snakes or ballerinas who wear cowboy boots.
