It's a sacrificial role - setting pace, blocking wind, and providing support to enable the team's sprinter to victory - winning is not an option. But as he gears up to go home and to face his estranged sister, a massive doping error knocks another teammate off the Tour and Dom is thrown back in the saddle.

The Switch version also supports motion controls, allowing players to use them to operate the individual throttles of the podracer's twin engines. The music is vastly superior in the PC version it plays from the CD and is in WAV format , and the speedometer uses vector graphics instead of raster graphics in the N64 version, for a superior effect. But Dom secretly harbours a desire to wear the yellow jersey - just once before his career is over.
