INTERNATIONAL COOPERATION IN CIVIL CASES IN SOVIET LEGAL DOCTRINE

Иными словами, вопрос признания новых государств целиком зависит от ситуации и политических интересов государств. Характерной чертой структуры МОТ является трипартизм, т.

Анализ международно

Some problems of determination of combatant legal status Gurits S. The article notes that conflicts arising in the course of criminal proceedings are studied by forensic tactics and methods in order to develop recommendations for the organization of the proceedings in the case. It is concluded that the co-optation of the opposition elites at an early stage of political transformation on the one hand, and the preservation of the former communist establishment in power on the other, have contributed to the
