### Vaison la Romaine

.

### Vaison la Romaine, Provence

Rock climbing is very popular in the Dentelles de Montmirail, the area offers limestone cliffs with bolted routes and there is a school for beginners.

### Vaison

On the right bank are two different quarters: the site of the ancient Roman colony and the modern town. Just to the north of this site lies the Site de Puymin which includes the grand Antique Theatre and hosts events during the summer. The Rencontres Gourmandes is a food festival held at the end of October.

### Vaison la Romaine, Provence

Surprisingly, for a town with so much to offer, there are no characterful hotels in Vaison. Vaison-la-Romaine is famous for its rich Roman ruins and mediaeval town and cathedral. Vaison was taken by the in 527 then by , , in 545 and became part of.

### The Weather Channel

Vaison became a relatively important Christian religious centre a bishopric existed there from the 4th century where two councils met in 442 and 529.
