## Native American Mythology & Legends

Green Corn Dance Green Corn Festivals — Also called the Green Corn Ceremonies, this both a celebration and religious , primarily practiced by the peoples of the Eastern Woodlands and the Southeastern including the Creek, , Yuchi, , and others. One of the most dominant trickster stories of the Plains is Old Man, about whom numerous humorous stories are told. The charm of these paintings lie in the fact that they capture the simplicity of daily life very well.

## Dawn Wells

You and your lovely cousin were constantly staring at me and teasing me. Some Native Americans have been devout Christians for generations, and their practices today combine their traditional customs with Christian elements.

66548614

She took Star Boy off her back and placed him on the ground.

## Native American Mythology & Legends

The term Native American is commonly used, but American Indian or Indigenous Americans are also common. In order to get revenge on his brother, Tezcatlipoca threw a giant blast of wind at the world, blowing his brother and many of the macehuals away.

**Category:Charles Fletcher Lummis**

Many believe, that on that day, the spirits return to visit family and friends. Lummis, a renowned southwestern author, librarian, historian and archeologist. They told her that she was insane! I like to play with him and enjoy his moonlight.

## **Laguna Pueblo Indians Tribe**

They made two gods to rule this underworld called and Eventually the world needed a real sun, so Tezcatlipoca took it upon himself to become the sun. As she saw the mortals doing their daily chores below, she became homesick and began to weep.

## **7 Fascinating Indian Folk Tales**

During the event, tribal members give thanks for the corn, rain, sun, and a good harvest.

## **Native American Indian Star Legends from the Myths of Many Tribes**

As an off-shoot of this activity, a large number of men learned mechanical skills and found employment outside the Pueblo. So the Moon gave her a root-digging stick to work with, carefully instructing her not to dig up the Great Turnip that grew near the home of the Spider Man, warning that terrible ills would be unleashed if she did so.
