Schopenhauer's second major departure from Kant's epistemology concerns the body. A late essay, On University Philosophy, expressed his resentment towards the work conducted in academies.

¿CÓMO LOGRA SCHOPENHAUER TOMAR CONCIENCIA DE LA VOLUNTAD EN CUANTO COSA EN SÍ?

According to Schopenhauer, salvation from our miserable existence can come through the will's being 'tranquillized' by the metaphysical insight that reveals individuality to be merely an illusion. The reason is, that fair hair and blue eyes are in themselves a variation from the type, almost an abnormality, analogous to white mice, or at least to grey horses. I have started to translate him.

Arthur Schopenhauer : definition of Arthur Schopenhauer and synonyms of Arthur Schopenhauer (German)

All retaliation for wrong by inflicting a pain without any object for the future is revenge, and can have no other purpose than consolation for the suffering one has endured by the sight of the suffering one has caused in another. Consequently, this reference to coincidence with one another forsakes pure space, the sole element of , in order to pass over to the material and empirical.

Schopenhauer's atheism will have none of this, and he rightly observes that despite adopting Kant's distinction between the dynamical and mathematical sublime, his theory of the sublime, making reference to the struggles and sufferings of struggles and sufferings of Will, is unlike Kant's. Despite their differences and the arrogant request to schedule lectures at the same time as his own, Hegel still voted to accept Schopenhauer to the university. Ruhl Volljährig geworden bekam Schopenhauer seinen Anteil am väterlichen Erbe ausgezahlt.
