The Burden of Bad Ideas : How Modern... book by Heather Mac Donald

In most cases what she shares could easily be interpreted quite differently than she chooses to. MacDonald follows the series through time, showing how leftist ideas about poverty began to dominate the series.

Samba

The picture of a giant lemon on the cover sets the tone right from the start. However, she ends her long tirades laden with individual examples, with very quick, don't-look-at-me solutions. The Burden of Bad Ideas exposes in a careful and meticulous way what ails this society of ours.

In a series of closely reported stories from the streets of New York to the seats of intellectual power, The Burden of Bad Ideas reveals an upside-down world and how it got that way. Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag. But I'm not learning anything and getting through every page is painful.

Samba

From there, she discusses specific social issues in which foundations have damaged the ideas of individual responsibility and accountability. Her reports trace the transformation of influential opinion-makers such as the New York Times and large philanthropic foundations from confident advocates of individual responsibility, opportunity, and learning into apologists for the welfare state.

The Burden of Bad Ideas: How Modern Intellectuals Misshape Our Society by Heather Mac Donald

In 1913, The New York Times began a run of Christmastime articles about the worst cases of poverty in the city.
