Many other comedic performance troupes were later formed, some expressing their comedies through acrobatics, like the schoenobates of Greece and funambuli of Rome. The workshop will consist of adopting commedia stock characters for each troupe member and creating lazzi and scenario around these characters. Filidei kultūrinė priklausomybė — itališkai pracūžiška — skleidžiasi itin savita, individualia kūrybine raiška.

LA PAZZIA DI ISABELLA

LA PAZZIA DI ISABELLA is a classical commedia written the year 1604 by Flaminio Scala, italian comico and playwright.

Burattino

The research should be in a coherent enough form to share with a cast by mid-January. The final conclusions will be completed at the same time. Ties love interest, disappointments, and challenges arms are crossed in this classic commedia del Cinquecento, with the classic characters of the Italian theatrical tradition.
