9781230211336: The Franks; From Their Origin as a Confederacy to the Establishment of the Kingdom of France and the German Empire

Tactically, the Merovingians borrowed heavily from the Romans, especially regarding siege warfare.

Franks

The Franks called annual meetings every 1 March , when the king and his nobles assembled in large open fields and determined their targets for the next campaigning season.

The Franks, from their origin as a confederacy to the establishment of the Kingdom of France and the German Empire. (1898 edition)

The commanders of the local levies were always different from the commanders of the urban garrisons. Gallo-Romans south of the and the clergy remained subject to traditional. It had to come to terms with an established Gallo-Roman hierarchy that resisted changes to its culture, Christianise pagan sensibilities and suppress their expression, provide a new theological basis for Merovingian forms of kingship deeply rooted in pagan Germanic tradition and accommodate Irish and activities and papal requirements.

The Franks, from their origin as a confederacy to the establishment of the Kingdom of France and the German Empire. (1898 edition)

Focused much on politics of the time I cannot recommend this book to anyone serious about the history of the Europe - either the continent or Britain or Scandinavia. By the 490s, he had conquered all the Frankish kingdoms to the west of the except for the and was in a position to make the city of Paris his capital.
