Criminal Justice Reform

Data shows that when Black drivers are stopped, they are more likely to be searched, but contraband is to be found. That equates to one out of every 37 adults in the United States.

Racial Justice Act Introduced in Legislature to End Racial Disparities in the Criminal Justice System

African-Americans have historically faced discrimination in terms of getting access to. Sizable majorities also said such incidents had made their colleagues more worried about safety 93% , heightened tensions between police and blacks 75% , and left many officers reluctant to use force when appropriate 76% or to question people who seemed suspicious 72%. Hundreds of thousands of black people, especially black men, suddenly found themselves jobless.

Michelle Alexander: System of Racial and Social

The study looks at racial bias after police initiated an encounter with a civilian. Seven-in-ten blacks said that blacks in their community were treated less fairly than whites in dealings with the police.

Black people and criminal justice

The frequency of such interactions will be experienced by law-abiding citizens there as harassment and will increase mutual mistrust, perceptions of disrespect and de-humanization, and escalation of conflict in police interactions. How does our system still exist the way it does?! There were tests to determine who was light enough to work in the house and sometimes get special privileges. American Journal of Public Health.

Racial Justice Act Introduced in Legislature to End Racial Disparities in the Criminal Justice System

When he was 18, he was convicted of attempted murder when he stabbed someone who tried to encroach on his business, and subsequently served 14 years in penitentiaries across the eastern United States.
