He is as acute in his understanding of politics as he is of military history. He was particularly careful to give no cause for jihad. What a lot of consents! At eight-hundred pages of text, it is a veritable literary behemoth, yet it is briskly paced and reads effortlessly.

The Fair Sex: Women and the Great Western Railway

Three months after arriving on American soil he received urgent injunctions to return — his mother Hortense was dying. The story is epic, larger than life. While the character of Napoleon remains cryptic, the excerpts from his letters and diaries are helpful.

Marie Walewska

I do know that when Napoleon went on his picnic 4th Oct. One of his colleagues in school drew a cartoon of Napoleon rushing to Corsica to aid the Corsican rebel Paoli.

Napoleon and the Fair Sex on Apple Books

These were notes, extracts from historical, philosophical and literary books, and personal reflections in which one can watch the growth of the

ideas later carried out by the emperor with modifications necessitated by the force of circumstances and his own genius. He was next spotted boarding the steamer Batavier on 31 July, heading for Rotterdam.
