Legislation does not permit delegates.

2021 Conference Sessions

The Act establishes the rules for the incorporation of cooperatives, content and adoption of by-laws, composition of capital member shares, investment shares, loan capital, holding of meetings annual, special or meetings of investment shareholders, composition and operation of the board of directors, and form and content of records to be kept articles, by-laws, list of members, investment shareholders, etc.

Co

Several possibilities present themselves in considering what course should be followed in taxing co-operatives. Co-ops that issue shares must issue membership shares. A co-operative is both an association of members and an enterprise.

Co

I do find off colour jokes off putting.
