File:A letter to a Member of Parliament, concerning the South

Delve into what it was like to live during the eighteenth century by reading the first-hand accounts of everyday people, including city dwellers and farmers, businessmen and bankers, artisans and merchants, artists and their patrons, politicians and their constituents. This photographic reproduction is therefore also considered to be in the public domain in the United States.

letter to a Member of Parliament, concerning the South

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars.

A letter to a member of Parliament, concerning the South

By A Well-wisher Of His Country. By a well-wisher of his country.
