Ancient Greek Stories • Famous Stories and Legends of Ancient Greece

Park Ridge, NJ: Noyes Press. This , as it became known, was a direct democracy that gave political power to free male Athenian citizens rather than a ruling aristocratic class or dictator, which had largely been the norm in Athens for several hundred years before. The population grew rapidly, putting heavy pressure on the system of small farms with low productivity.

How Democracy Developed in Ancient Greece

Theseus vowed to defeat Minos and restore Athens' dignity.

Greek Myths • Famous Stories, Myths and Legends of Ancient Greece

Partille, Sweden: Paul Aströms Förlag.

Ancient Greek Myths

North America, Australia, Northern Europe,. He soon returned to Sparta, and helped in the siege of Sicyon, which was a town friendly to Sparta.

Major Topics in Ancient Greek History

This location held great importance for people in the ancient world. Geographically, Corinth was located between Sparta and Athens, which were two important city-states in ancient Greece.
