## Kolchugin's Youth: a Novel by Vassili Grossman

These songs are substantial in their impact that go deep under the surface. This is a long dead genre and it's always inspiring to find something so coherent, balanced and new, but not overexposed or oversaturated where it morphs into other things. Perfectly crafted and always makes me come back for more, I can never get enough of them.

Screamo has gained a tarnished name for itself over the past decade, with cringe being all that is associated with this wonderful genre by the general public. Tracks III and IV really demonstrate the ability of the two singers; and the band as a whole. National Novel Writing Month is a fun, empowering approach to creative writing.
