### Italy on the Brink of Revolution

This allowed some elbowroom for Gibson and Fender to rethink and retool their operations to fortify their position in the market. This is what happened in Italy after the experience of 1976-79. Now I speak English good like an American I could go anywhere—where millionaires go and high people.

### Italy : Stamps [Year: 1970] [1/3]

Conference of the ultra-left in the Palasport basketball stadium A graphic expression of this is what happened at the famous meeting in the Palasport basketball stadium.

### Years of Lead (Italy)

The late 1960-1970s are known as Opposti Estremismi and are later renamed as anni di piombo due to the shootings and bombings; a policeman named Antonia Annarumma is the first victim, killed in Milan on 12th November 1969 during a protest led by the left-wing.

### Italy : Stamps [Year: 1970] [1/3]

Outdoor brick ovens were commonplace, serving as clear ethnic markers of Italian residences.

### Category: Italy in the 1970s

Various members of the community fought for the right to define the group, and the ongoing struggle for dominance invariably employed cultural symbols and events. Applicable law recognises certain categories of personal information as sensitive and therefore requiring more protection, including political opinions and trade union membership. Although local cultural variations remained notable, the most significant internal distinctions have been those stemming from the contrast between a relatively prosperous, cosmopolitan, urban North and a socially backward, economically depressed, agricultural South.

### Category: 1970 in Italy

From its 130,000 members in 1968, within two years it had been reduced to around 75,000. This advanced layer viewed the PCI increasingly as a party that had compromised with the bourgeois establishment — which was absolutely correct — but what these young militants did not understand was why the mass of workers continued to have illusions in the Communist leaders.

**Reviewing the experience of Italy in the 1970s, by Antonio Negri (Le Monde diplomatique**

Francis Ford Coppola 1939— earned international fame as director of The Godfather 1972 , an adaptation of Mario Puzo's best selling novel.
