New Identities: Pagan and Christian Narratives from the Roman Empire

Myth continued to be of significance in poetry and art as long as it was of religious importance for cult and ritual, but as Greece moved into the Hellenistic age it became more of a decorative element and less intellectually and emotionally charged.

What Happened to the Ancient Romans?

They swear eternal fidelity and chastity to each other and soon marry—or they reach this goal at the end, since unsolvable problems delay the marriage.

Anton Bierl, Space in Xenophon of Ephesus: Love, Dreams, and Dissemination

But, with the exception of the case of St. De Lozier, University of Wisconsin, Madison The Scene Makes the Man: Josephus' Construction of Antony 15 mins. So that too, appears to be a dead end for researchers.

Anton Bierl, Space in Xenophon of Ephesus: Love, Dreams, and Dissemination

The motive of the votive inscription is, to a certain degree, the late pragmatic and historical anchoring. Holmberg, University of Victoria Hephaistos and the Spider's Web 15 mins. Julie Laskaris, University of Richmond Divine Knowledge in On the Sacred Disease 15 mins.

Porträt: Eva Demski: Ich bin so furchtbar gern allein

In Greek literature in particular there are only a few important reflections on this topic, reduced to Homer, Herodotus, and drama. Morison, University of California, Santa Barbara The Gymnasiarches and an Honorary Decree from the Deme of Kephissia 15 mins. In their fictional prose texts they work in a way of a chain technique applying repetitions and variations which are brought forward by the tropology of metaphor and

metonymy.

Romanus

Ingo Gildenhard, Princeton University The Political Character of the Classical Roman Republic 15 mins.

What Happened to the Ancient Romans?

But as he develops his case, it becomes clear that his historical criticism is secondary to another interest-- namely, to show that Jesus' miracles prove he was a sorcerer, not a true sage.
