Blue Note Records discography

Other bebop or musicians who recorded for Blue Note during the late forties and early fifties were pianist , trumpeters and , saxophonist and pianist.

Blue Note Records

After establishing a rapport, Reid Miles became the designer for the Blue Note label for the next eleven years creating wonderful graphic covers that were both unique and also retaining the indefinable Blue Note look.

Punk Rock Albums Reimagined as Blue Note Records

Certainly, it does the job commercially: it attracts the visual attention.

Punk Rock Albums Reimagined as Blue Note Records

John Coltrane - Blue Train - Released 1958 John Coltrane is one of the undisputed masters of jazz music, and while his later recordings for the Atlantic and Impulse! This is OK, as long as the sizes are distinctly different and they should be published at the same time. Hank Mobley: No Room For Squares 1964 Reid Miles was fond of visual puns and here, in a bid to prove that a cool-looking Mobley — wearing shades and drawing on a cigarette — is no square, the designer encircles his face. Wolff passed away on 8 March 1971 in New York City.

The Cover Art Of Blue Note Records, Vol.2 by Graham Marsh

Blue Note: Album Cover Art. I love that they made this book the size of an old LP, so the full page pictures give you the sense of holding the album in your hand. The parcel ended up in 14 Calvados, not a bad place to be.
