### Project Coordinator/Youth Community Organizer: SUD Prevention LAHC

NCADD has supported those affected by a drug or alcohol addiction. Recognition Model Program: SAMHSA A Family Strengthening Program: OJJDP School Reform Model: Office of Education for At-Risk Students, U. Narrative Open-Ended Responses Providers were asked to define alcohol and drug problems in their own words.

### NIAAA Publications

It is aimed at students who drink alcohol heavily and have experienced or are at risk for alcohol-related problems. It is important to differentiate between these two. That includes a hospital-based day treatment program.

### Environmental Strategies for the Prevention of Alcohol and Drug

Many of the health and human service professions often involved in community interventions are held to specific codes of ethics by their professional certification or licensure organizations.

### NIAAA Publications

But there is another class of drugs given less attention and gaining in popularity: performance enhancing drugs PEDs. Recognition Model Program: SAMHSA Exemplary Program: DOE Effective Program: NIDA BASICS: Brief Alcohol Screening and Intervention for College Students BASICS is Brief Alcohol Screening and Intervention of College Students: A Harm Reduction Approach. Washington, DC: National Academy Press; 1997.

### Communities mobilizing for change on alcohol: Outcomes from a randomized community trial — Experts@Minnesota

CONCLUSION Because they work in diverse settings, social workers are well positioned to educate community providers about how to identify and respond to clients with alcohol and other drug problems. Keep A Clear Mind KACM Keep A Clear Mind KACM is a take-home drug

education program for upper elementary school students and their parents.

### **Study finds effective interventions to prevent alcohol use among American Indian and rural youth**

Students often conform to patterns of heavy drinking they see as acceptable.

### **The Infography about Alcohol Problems Prevention**

Bringing parents and youth together in SFP 10—14 has been particularly effective in achieving goals. The Safe Dates program has a curriculum with nine 50-minute sessions.
