## Single Women: Finding Your Way

I gratefully acknowledge the generous and helpful comments and suggestions of Elizabeth Berry, Yoshitaka Fukui, Il-Young Jung, Mitsuhiro Kimura, Yoshiro Miwa, Jason Morgan, Minoru Nakazato, Gregory Noble, Geoffrey Ramseyer, Jennifer Ramseyer, Frances Rosenbluth, Richard Samuels, Henry Smith, Frank Upham, and the referees and editors of this journal.

## Nonfiction Book Review: Up Front: 2sex and the Post

My breasts were not the star of the show — or even a primary storyline. It looks like a hunk of my breast was grabbed out and then pushed toward the arm and sewn up. The patch made her feel sexy and flirty.

## The 9 Best Post

I also have mild lymphedema which tends to sting and makes wearing a bra difficult.

## Contracting for sex in the Pacific War

Treatments for cancer, such as chemotherapy and radiation therapy, may in themselves also create unpleasant and tiring side effects. Would you still want him as a potential dating partner? Usually surgical drains are pinned to your surgical bra, so have some extra safety pins on hand. If the surgeon just does not support the patient preoperatively, I would recommend a second opinion if possible.

## Upfront: Sex And the Post

To find a sex therapist near you, visit the , the or the , publisher of the website , writes about sex for AARP.

## Couples Having Sex After Breast Cancer, Mastectomy, Chemotherapy, Lump...

Your implants don't squish into things, and they don't move for you. Some women complain that their surgical site is always cold, likely because of the loss of nerves in that area. I unenthusiastically moved my pointer finger over faces — each time I saw a man whose profile tickled my fancy in

the slightest, I would glance down and remind myself that I was no longer good enough to meet him IRL.
