New York: Viking Press, 1999. In addition, considerably fewer single women worked in the 1930s than in the 1990s.

## Department of English

Eleanor Roosevelt then helped her obtain the position as a Chief Investigator for the Federal Emergency Relief Administration FERA, where she conducted some fact-finding missions. Her assignment was to gather information about the day-to-day toll the Depression was exacting on individual citizens.

## Maurine H. Beasley Books

It also explores the prominent role she played in the founding and early development of AWRT where she inspired and mentored other women for more than 30 years. Beasley traces the growth of the institution of the first lady as a part of the American political system. A lively, conversational, often passionate review of the New Deal as it played out in communities across the country, enhanced with an excellent introduction and notes.

Lowitt, Richard 1922

. While the retrospection of American writers in the 1930s was sometimes nostalgic, they frequently revived the past to criticize American values and institutions.
