To be surrounded by the exquisite beauty of nature is to experience a healing of the soul.

Gertrude Jekyll

Slightest suggestion only of dust-dulling to the spine bands and panel edges. The Arts and Crafts Garden. Light wear and rubbing to top and base of spine.

Gertrude Jekyll

At the time of her death, she had designed over 400 gardens in Britain, Europe and a few in North America.

Later in life, Jekyll collected and contributed a vast array of plants solely for the purpose of preservation to numerous institutions across Britain. More on that later... Get the latest on Natural Health and Sustainable Living with Mother Earth News! Worn but sound copy of this tour of English gardens, season by season, illustrated with dozens of color plates. She includes seasonal gardening, health, cooking, making coffee,

decorating, and many other interests laid out diary-like but chatty.
