Native American Indian Bear Legends, Meaning and Symbolism from the Myths of Many Tribes

On the one hand, it's clearly the result of interpolation and interpretation by its white editors - I'd like to find versions of these stories that come more directly from Native American writers and speakers. Human remains have been found there, and a few of the human bones had the marrow removed, suggesting the marrow was eaten.

Native Americans

It is considered a supernatural being of power and strength.

Native American Mythology & Legends

Most, if not all, of the texts are paraphrases.

Mythologies of the indigenous peoples of the Americas

Fish swarmed in the waters, and at every jutting point the deer came down from the hills around to bathe or drink of the lake. For an unknown reason, Indians were dying, and it was believed that the tribe must appease the Thunder God Hinum, who lived with his two sons in a cave behind the Falls.
