General Statutes Chapter 160D, the Town of Hillsborough's historic district design guidelines are to become design standards. Consult with municipal counsel vii.

### Design review in historic districts (1985 edition)

Height: the overall height of the building and its height in relation to surrounding buildings ii. Incomplete means that either all information required was not submitted or some of that information was found inadequate. ANC3C, Advisory Neighborhood Commission 3C ANC3C reviews projects affecting preservation, zoning, public space, and related matters, and makes recommendations on them to HPO staff and to HPRB.

### Historic and Design Review Commission (HDRC)

It can be a valuable guide in prioritizing the features, elements, and materials that ought to be given special consideration in the design review process.

### Design Review

The guidelines also assist property owners in understanding and appreciating the historic character of the buildings and districts in which they are located.
