Since we are not professional conservators or restorers, we urge you to consult with a restorer or conservator of your choice who will be better able to provide a detailed, professional report. When Caulfield established his reputation in the early 1960s, his deadpan handling and his reliance on vivid, flat colours encased in uniform black outlines led to him being hailed as one of the originators of Pop Art in England. You can buy from us online or contact us by email or telephone.
