The Winery of Good Hope

Moderate tanning and foxing to text block edges. The contents have some flurries of foxing here and there. Wine was first made in this region in 1659 and today the Winery of Good Hope Range combines various qualities of the many trials and experiments.

An attractive copy of this novel of a man who remakes himself in the world after he leaves the family vineyards, rediscovering his long lost love. This is a fancy way of saying that they work with grapes from all of those areas, rather than growing all the fruit on their property.
