Immense voyage dans l'espace certes — près de seize mille kilomètres furent ainsi par- courus —, mais aussi étonnant voyage dans le temps, puisque le curieux du XX e siècle peut ainsi approcher un personnage du Moyen Age, et même entrer de plain-pied dans son intimité, partager ses peines et ses souffrances sur ce long itinéraire, goûter ses surprises, vaincre ses appréhensions, être séduit peu à peu malgré les difficultés incroyables du trajet par l'enjeu de la mission, se laisser fasciner par ces peuples mystérieux des confins orientaux, apprendre à les connaître, à les reconnaître en tant qu'êtres humains, eux aussi, et non monstres sortis du noir Tarare, à les estimer bien souvent, enfin à regretter de les laisser pour retrouver les côtes familières de la Méditerranée et les usages occidentaux. Many of the secondary writings that are now considered here bring out what may be termed a traditional view of Dong Zhongshu as one of the prime leaders of Confucianism.
