About Frontiers

Complete details can be found.

Authors Guide

The manuscript should include the original article title and author list, citation including DOI, and details of the correction. If you would like to propose a special issue, please contact the managing editor via email.

Author Guide

Results Please include effect sizes and confidence intervals. Submitted supplementary items are published exactly as they are received Excel or PowerPoint files will appear as such online. Graphics intended to appear in black and white or grayscale should not be submitted in color.

Author Guide

Double anonymized review This journal uses double anonymized review, which means the identities of the authors are concealed from the reviewers, and vice versa. Additional information on communicating safety information from the ACS Guide to Scholarly Communication.

QST Author Guide

Include the trade name in parentheses after the first mention of a drug in the text.

QST Author Guide

American Medical Association Manual of Style. Either is allowed, you can include the supplementary material at the end of the main pdf after the

references, or you can include it as a separate file for the supplementary materials.

Author Guide

Authors should submit the cover image along with a 5-10 word caption explaining the artwork, and a short, clear legend less than 50 words that will appear alongside the front cover explaining the image, as supplementary files to ACS Paragon Plus with their revised manuscript. Peer review This journal operates a double anonymized review process.
