Radlauer says her relationship with Arnold, at times contentious, apparently was over. The following is a superb description of the park taken from Eric C. There, clippings of fingernails were taken.

### Christa Worthington murder: Christopher McCowan, man convicted of 2002 killing, seeks new trial

It took 15 years of research and writing to complete Brooklyn Rumble: Mau Maus, Sand Street Angels, and the End of an Era.

### Crime Map — Cape Coral Police Department

With all the elements of a classic mystery, sensational reports of the murder on Cape Cod topped the news around the country, leaving Christa's nervous neighbors with no reason to suspect that it would take police literally years to solve this crime, not that they didn't have plenty of suspects.

### Crime stats: Police stations with highest reported murders situated in WC

Police had a DNA profile of a man who had sex with Worthington shortly before her death, but they were unable to immediately identify her partner. That night, Malloy said he was in his office when the call came in for an unresponsive female at 50 Depot Road. Ava still lives with her legal guardians and by all accounts is doing well.

### Death of Cape May County couple ruled a murder

In 2010, the State Supreme Judicial Court agreed. She was unresponsive and taken to Falmouth Hospital, where she died. In 1997, she moved to Truro, where her prominent New England family owned a slew of properties.
