History of Norfolk/Volume 5

Martin, Bishop, 3 Henry IV. Ebba, with her nuns and monastery, together with Landaff, Tynemouth, Weremouth, Streveshall, and several other great monasteries. They had eight children, all girls, between 1832 and 1850.

List of nobles and magnates of England in the 13th century

Edmund's body rested; Speed and others rightly say that he ravaged the country, and only threatened the monastery, because they refused to pay the ransome money that he demanded, alleging that they ought to be free of all King's tribute, upon which, as Hoveden tells us, in the midst of his jollity and threats, as he was talking with his nobles, of his good success in conquering the land, he was struck with a knife miraculously, no man seeing from whose hand it came, and so within three days after, viz. Like his brother before him, Æthelberht died childless and the throne was passed to his brother, Æthelred. Æthelstan was therefore the last king of Wessex and the first king of England.
