### Overland Limited (UP train)

At this time RBJ3 was refitted again, this time named Café 828.

### iview

Lubeck was, until 1983, the junction for a now closed railway to Bolangum, the remains of which you can see curving away on the right hand side.

### Food & Beverage

As we navigate the sharp right hand curve, look out the left side window and you will be able to see in the distance downtown Geelong. ABC Wimmera: Sean Wales Ms Millington said for residents in towns like Nhill, The Overland was the only way of getting to Melbourne and Adelaide. An upgraded Overland would therefore be, by far, the cheapest fast rail route of any yet proposed in Australia, including the much shorter Sydney-Canberra route.

In 1936 the train was renamed The Overland, and the original deep red livery was replaced by green and yellow with black horizontal lining. The construction style had previously been introduced with the Cafeteria Car, built in 1947 for the Port Pirie region's East-West Express.

### Importers of Fine Scale Models

Travel tickets alone costs only £750 or so from London as far as Singapore, but you must add food, hotels, and tours along the way.
